Call for Papers

Indian Journal of Physiotherapy and Occupational Therapy has commenced publication since 2006. IJPOT will be published four times in a year.

Purpose & Scope : IJPOT is a multidisciplinary refereed journal devoted to disseminating rigorous research on all aspects of the physiotherapy and occupational therapy to enhance learning. The journal seeks to be a catalyst for multidisciplinary dialogue amongst researchers and Practitioners worldwide in the fields of learning and cognition, education, and technology enhanced learning.

The journal encourages research from theoretical perspectives, research reports of evidence based practice as well as praxis research work that focuses on the interface between theory and practice and how each can support the other. In addition, the journal strongly encourages reports of research carried out within or involving countries in the Asia Pacific region.

Invitation to submit papers : A general invitation is extended to authors to submit papers for publication in IJPOT.

The following guidelines should be noted:-

1. The article must be submitted by e-mail only. Hard copy not needed. Send article as attachment in e-mail.
2. The article should be accompanied by a declaration from all authors that it is an original work and has not been sent to any other journal for publication.
3. References should be in Vancouver style.
4. As a policy matter, journal encourages articles regarding new concepts and new information.
